APPA 30 Series
The State-of-the-Art Clamp-On Measuring Instruments

APPA 32
- AC 600V, DC 1000V capability
- 40mA resolution
- AC/DC 600 Volts capability
- Continuity Beeper
- Insulated input jacks
- CAT III 600V Safety Standard
- 4 feet drop proof
- Hand guard designed
- CAT II (True-RMS reading)

APPA 39T
- AC 6000 count digital display
- Auto power off
- Max Hold
- True RMS reading on ACA/ACV
- AC/DC 600 V Volts Capability
- 2000 count large scale LCD display
- Auto ranging
- Hand Guard & Stream Line Designed
- 4 feet drop proof
- CAT II (True-RMS reading)

APPA 30R
- AC/DC 600 Volts capability
- Continuity Beeper
- Insulated input jacks
- CAT II (True-RMS reading)

APPA 30T
- AC/DC 600 Volts capability
- Continuity Beeper
- Insulated input jacks
- CAT II (True-RMS reading)

AC CURRENT TRANSDUCER
- AC 400A capability
- Coiled cable output plugs
- Carrying case included
- Auto zero key for DCA
- Green LED-Power on indication
- CAT III 600V Safety Standard
- Up to 34mm dia conductor
- 2.0% basic DCA/ACA accuracy
- Hand Guard protection
- Battery low indicator
- Trigger

AC/DC CURRENT TRANSDUCER
- AC/DC 1000A in specification, and 2000A overload protection
- Autoranging
- 0.9% basic OHM accuracy
- 0.5% basic DCV accuracy
- 1.2% basic ACV accuracy
- Data hold function
- MAX hold function
- Frequency Counter on ACA/ACV
- True RMS reading on ACA/ACV
- 10mA resolution
- AC/DC 600 Volts capability
- 4 feet drop proof
- CAT II (True-RMS reading)

AC/DC CURRENT/VOLTAGE/RESISTANCE CLAMP METER
- 4000 count digital display
- Auto power off
- Max Hold
- Frequency measurement through
- Continuity beeper
- Hand guard designed
- CAT III 600V/CAT II
- 0.7% basic V measurement
- 1% basic A measurement
- 0.5% basic OHM accuracy
- 1.2% basic ACV accuracy
- 1.5% basic ACV accuracy
- 2.5% basic ACV accuracy
- 3.2% basic ACV accuracy
- 4% basic ACV accuracy
- 2% basic DCV accuracy
- 3.5% basic DCV accuracy
- 2% basic DCV accuracy
- 3% basic DCV accuracy
- 4.5% basic DCV accuracy
- 6M Ω input impedance
- 1M Ω input impedance
- 4000 count large scale LCD display
- Auto ranging
- Hand Guard & Stream Line Designed
- 4 feet drop proof
- CAT II (True-RMS reading)
